

Page 211 # 1 and 3

1. Owning the land provides income and nutrition. having access to money allows them to buy goods and serv. and machinery.... less hands on work. You can build on the land and sell homes and sell crops. You can rent off small portions of the land.

2. Questions to ask:

- how much money will farmers get if they sell land?
- where is the location?
- Is the land fertile?
- Is there soil erosion?
- Were there any natural disasters that impacted the land?

3. Candians should allow the govt to own their land because they will develop roads and infrasteuctures.

Cdns should not allow the govt to own the crown land because people will be able to sell their land and build on it as they please. and make a profit according to their decisions.

Private companies will only benefit where as the govt benefits.

1. Find any 2 countries that have been impacted by colonialism and list the lasting problems that are occuring there.

2. Pg 219- 1, 3 and 4

3. Pg 223 - 1 , 2 , 3
